LEA GALA

Since the last meeting discussion has taken place with Lea Community School who are to host this years Lea Gala. In past years the Parish Council have attended and distributed balloons something which it is felt needs changing for this coming year. Since no new ideas have been brought forward and in order to make arrangements it has been provisionally agreed that the Parish Council should use its allocated budget to provide prizes for a competition of some sort with the award winners receiving their prize on Gala Day and presented by the Chairman of the Parish Council. A competition has therefore been proposed which will involve each pupil in each of the 6 years at the school designing a poster or similar conveying their own thoughts in respect of school values. The winner in each year (decided by members of the Parish Council) to receive a £15.00 book token which will be presented to them on Gala Day.
